
Conrad Swensson(1931 - 2015)

Connie Swensson, of Aurora, is survived by his wife, Jackie Eason Swensson; his sons, Gerry (Carolyn) and Greg (Ercelle); his two grandsons, Paul and Ian; and his brother, Norman (Ann). Connie was a minor league pitcher for the Dodgers organization, a jeweler, and a car salesman, but the majority of his career was that of a secondary school math teacher in Adams County District 12. A talented craftsman, he carved ducks, made stained glass, built furniture, and dabbled in acrylic painting. He could fix almost everything except his Alzheimer's Disease. There will be no service.
