

Mark R. Burlingame "Burls"

March 26, 1955 - October 12, 2015

Altamont-Mark R. Burlingame "Burls", 60, peacefully entered into his Savior's loving arms Monday, October 12, 2015, after an intense yet courageous battle with cancer.

Mark was born in Little Falls, NY, son of the late Robert and Nancy Burlingame. He moved to the Westmere area as a young child and went on to graduate from Guilderland High School. Mark spent his early years on the ball field as his dad's batboy at SUNY Albany. No doubt that is where he developed his love for the game and for sports in general. Mark went on to attend Oneonta College where he was later drafted into the Oneonta Yankees, playing shortstop. In 1977 he was brought up to the Fort Lauderdale Yankee Team where he played for a season. He was released from the minor leagues just after marrying his high school sweetheart, Beth Bidleman.

Mark spent a few years as a Hallmark Rep in the North Country. After literally driving off the road one day, he decided to change careers and enter into funeral service. Mark devoted over 25 years to funeral directing, or as he referred to it, "the call." He began his journey in Albany at the Frederick Funeral Home before moving to Altamont where he became a pillar in his family's business at Fredendall Funeral Home. In all aspects of his life, Mark shared his love of God with others, expressed compassion for all people and provided service to his community and beyond.

In 2007 he transitioned into Real Estate and played an integral role in building CM Fox and making it what it is today. Mark was an active member of the Altamont Reformed Church as well as the Guilderland Letterman Association. He previously served as president of the local Funeral Directors Association. Among many other invaluable traits, "Burls" will be remembered for his infectious smile, his passion for life, his love of people and his unparalleled dance moves.

Mark is survived by his loving family; his wife, Beth, his son, Jason (Katie) Burlingame, his daughter, Kara (Mike) Banks, his grandson, Jack Burlingame, his sister, Wendy Reid, father and mother in law, Porter and Sally Bidleman, sister in law, Barbara Yohey, brother

in law, Alan (Sharon) Kisby, an aunt, uncle and several cousins, nieces and nephews. He is predeceased by his parents, Robert and Nancy Burlingame and his sister in law, Mary Lou Kisby.

Funeral services Saturday, October 17, 2015 at 12:00 pm at Christ the King Church, 20 Sumter Ave., Albany, NY 12203.

“ Dear Beth, Jason and Kara,

My heart is heavy and my prayers are with you and yours in the loss of your precious husband and father. I don't know where to begin when sharing your father's impact on my life and the life of my boys, Ron and Todd. They are grieving with me.

Mark was an inspiration to us all, joking while being so sincere in his expressions of caring. He lit up every room he walked into.

He loved Jesus and others through Him. I remember Mark when we would have Bible study gatherings or hymnsings expressing his love for God and for others. His faith shone on his face all the time. I can't wait until our reunion in Heaven. Hallelujah!

And he loved his Bethie and his Jason and Kara. They lit him up. I remember one conversation we had where Mark was telling me how he didn't know what he would do without Beth. He said he would not know what to do about a given situation, and when he shared it with Beth she always had a wise answer or solution. She was his anchor he said.

And he would tell me what a blessing his children were; how he could hardly understand why God chose him to have such miracles.

Please consider coming to visit us (Glenn and me) in Ocean City, NJ. We love having guests and the ocean is a healing place.

I love you all.

“ Mark, you have been a friend for 28 years. Being only a couple months apart in age, that makes it almost half our lives ! It has been more than an honor to have known you, it has been a profound gift, in ways you only now know. You my friend have indeed run the race and finished the course. You have been an athlete in life... the very best kind... and coach, now we have all seen how it is to be done, and we will remember. We will keep our eye on the prize, as you have done. Thank you for the Blessing of your life... Chris Conover

Mark truly exemplified this quote of Mother Teresa:

“Let no one ever come to you without leaving better and happier. Be the living expression of God's kindness: kindness in your face, kindness in your eyes, kindness

in your smile.”

We all felt better and happier after visiting with Mark...

The joy of the Lord would shine through his smile... Maria Conover

“ My heart is sadden at the loss of a beautiful, loving man! I met Beth and Burls through my in-laws and every time I'd see him at a family gathering, he had a smile on his face. Such a warm, kind, thoughtful man. But what brings a smile to my face and lifts the sadness in my heart, is the wonderful life this family man lived and that he truly danced through life. Someone recently told me he danced his heart out at his daughter's wedding in July....It brings me comfort to think of Mark in heaven dancing with joy. I pray for Beth and his family that they find comfort and peace. With love, Kyra (and Paul) Izzo

“ Beth,

I am very lucky to have known Burls and am deeply saddened to hear of his loss. People us a cliché to describe the Nicest Guy in the World. Burls was no cliché, he personified that statement.

I will always remember him with great admiration for his athleticism, kind heart, this infectious enthusiasm and friendship.

He loved you dearly and considered himself to be luckiest man on earth for having married you. My strength and prayers to you and your family.

God Bless you and Mark.

“ Dear Beth and Family:

We met Mark as a little boy walking the Albany campus with his Mom and Dad. His dad, Bob, was our baseball and JV soccer coach at Albany. We followed Mark's baseball successes and even went to see him play on Cape Cod one summer while there with the Schieffelins. We then had him over for a real meal and he amused all of our children. Even then he was a unique and caring person. Memories will ever be there. Treasure yours and may they give you solace at this difficult time.

We have lost a truly remarkable person who had a special gift from God. We will all miss him and his ability to improve any situation by just being there. Our thoughts and prayers are with all of you. Mark was a special person, no one who knew him will ever forget him.

Our sincere sympathies,

“ Dear Beth and family, all of us in the Shahda family were surprised and saddened to hear of Mark's passing. As recounted by so many who have previously paid tribute to Mark, he was loved, respected, pure fun, always smiling and simply a joy to be with. But most of all, he was a great family man.

My first encounter with "Burls" was as a young man who played baseball with my younger brother John. What fun they had! And I was so excited to think I might know a professional ball player when he was drafted.

Anita frequently crossed paths with Mark as they both went about their daily routine. She recounts wonderful memories of conversations and marvels that Mark never passed her without taking time to say hello and share a moment of his time.

When John heard of "Burls" sudden passing he shared the following sentiment: "Sad day when you lose a great guy."

On behalf of our family, despite the many years that have gone before us, please know you and your family are in our thoughts and prayers. May "Burls" RIP, and may your memory bank and your God help to sustain you as you go forward without "Burls".

“ Burls was a a great soul and all that knew him can testify he was the greatest example as a husband, father, brother and friend. He demonstrated integrity, character and the greatest love both on and off the field. There are so many poems and verses in scripture to share here remembering Mark, but one stands out most. "And now these three remain: faith, hope and love. But the greatest of these is love." His spirit will live on through Bethie, his family and hopefully within all of us

“ Sometimes when words fail us, a parable or a picture can help. Think of the parable of the Good Samaritan and how it tells us as much as we need to know about love for a neighbor or the picture of the young naked Vietnamese girl fleeing from a napalm attack. It told us more than we wanted to know about violence.

We have a picture of Burls in our hearts and minds that we would like to share with you by telling a "parable"

There was a contest of the Capital District Realtors Association to select that realtor who best exemplified the traits of integrity and trust. Of course Mark won that easily so he and Beth won an all expense paid trip in the middle of February to the Waldorf Astoria fronting the Gulf of Mexico in Naples, Florida.

The first morning there Burls woke up early to walk the beach. He took the tram over the boardwalk through the mangrove swamp to one of the world's nicest beaches. It just happened to be the lowest low tide of the winter and the beach was littered with starfish and so as Mark ambled along he picked up some starfish and flipped them back into the ocean.

At the same time, a Naples politician watched him and finally couldn't stand it anymore so he came up to Burls and said "Surely you don't think you can make a difference; this beach is littered with starfish. Mark didn't say a word (this tells you that this is a parable - Burls was never at a loss for words) he bent down, picked up a starfish, tossed it into the ocean and said to the politician."Made a difference to that one didn't I?"

The starfish of course are all of us living in our own egocentric cocoon of a world and if we are really fortunate, we are one of the starfish picked up by Burls who showed us what love, generosity, caring giving, and trust in the heavenly one are all about.

We can all become more loving people, because we have been touched by Burls.

We do not have to remain stranded starfish

“ Some people are "students" and others "teachers" here on Earth. Mark was a "teacher",whether he realized it or not. Each person he touched through his different chapters of life benefited by his total being. Knowing him from High School and through our adult lives he never changed. Always kind,smiling and making time for

you.

I can only think that God sent him to this world to teach all of us a lesson and God feels he did. Now was the time for Mark to be at God's side

Mark will be missed by everyone and I hope we all learned what Mark's persona taught us.

Very sorry but I will not be able to attend to pay my respect to Mark so I hope you and your children get a chance to read this.

I've known Mark most of my adult life; we played softball together and more recently in the real estate profession. I've never known a more kinder, caring human being in my life and I feel blessed to have known Mark and honored to be considered one of his friends.

Please accept our deepest sympathy; he will be deeply missed. Mark and your family are in our thoughts and prayers.

“ I've read all the beautiful words written here through my tears and am unsure what to say myself - the loss is too large somehow to express in words -- I was privileged to work with Mark for a time as a volunteer youth leader, it wasn't only the youth who benefited from his guidance and teaching, Mark had a way of making everyone want to be better and to think they could be better - that gift to make people, especially young people, feel better about themselves, to instill that confidence, is immeasurable -- Mark loved his family and all the people who's lives he touched so much and so beautifully, but he seemed to have a special love for teens and their struggles and shared his gifts and his faith with them in a very meaningful way. Everyone who knew him was blessed to do so. Prayers and hugs to Beth, Jason & Kara.

“ The earth is a little bit darker today, as 1 of the best, kindest, sweetest human beings I've had the honor of knowing passed away. He knew me & my family from before I was even born! From playing his drums too loudly when I was about 3 (& couldn't hear Uncle Bob's player piano), to playing in the church softball league against my dad & grandfather, to attending my wedding 21 yrs. ago. He was at my side to help me when my Mother died suddenly & there again for me & my family when my grandfather passed 9 months later. He was the epitome of the good in humanity. Even though we went years between meetings, you'd think we'd just spoken a short time ago. He was a wonderful person & will be sorely missed! I'm very sad to say goodbye, but very glad to have known him.

“ We feel so fortunate to have crossed paths in our life's journey with Mark. We first met Mark at the funeral home as a very compassionate person to our family in our hours of grief. Then, when we needed help to sell a house, we knew who to call to help us because of his integrity and caring personality. In all the times that our paths crossed, it was very obvious of the faith Mark had as he shared with us. When the house sold in just a couple of days, he called us into his office at CM Fox and closed the door behind him and smiled his smile and said to us, "I very rarely have seen a house sold this fast, it just has to be Divine intervention"! We will never forget that smile and the caring person he was! Our sincere, heartfelt sympathy goes to the special family he leaves here to carry on his life's examples knowing that he is in the

presence of his Lord.

I've known him since he was our baseball batboy, under the coaching leadership of his wonderful Dad. Later, we played baseball and softball together for years. Many of my friends first met him at Bill Schieffelin's service a couple of months ago. They were blown away with his eloquence, sense of humor, joyous smile, easy going manner, and how quickly he warmed to everyone. It took no time for them to get to

know the real Mark.

“ My deepest sympathy to Beth and her children who survive Mark's passing. I knew Mark since kindergarten at Westmere Elementary School in 1961. My fondest memory of Mark is being Co-Captain with him on the 1969 Guilderland Pop Warner football team. There was a bond created by our shared experience that has lasted all these years. The bond does not end with his passing, nor end with mine. The bond is eternal between two spirits. Of all the things I could say here, and there is so much I would like to say about Mark. I will share this simple truth.

The true measure of a man is the memories he leaves behind in the minds of the people he knew and crossed paths with in life. If you look in the dictionary for the definition of "Classmate", you'll see Mark's name listed first. If you look for the definition of "Friend", you'll see Mark's name first again. If you look for the definition of "Team Mate" you'll see Mark's name listed first yet again. I will miss my classmate, my friend and my team mate, Mark. Go with the Lord in Peace and Eternal Grace.

Thoughts and prayers extended to you all as I know the last few months have been very difficult. He loved you all so much!

Burl was a special man! He touched so many with his genuine character, positive spirit, and loving nature. I first met him through our years of work for the Guilderland Lettermen Foundation and, from the get-go, was emboldened by his community spirit. I also entrusted him to sell our parents home, which was done with such professionalism and sensitivity. We will all miss his smile, the strength delivered from each hug, and his notes of encouragement. He was a brother to so many and I/we were blessed to have him touch our world.

Love,

Mark Williams

“ Bethie, Jason, Kara, and family. I am so sorry for your loss, Burls was such a blessing and support for my family for many years and the world has lost a beautiful loving gentle soul. I am sure dad was waiting at the gates for him with open arms. Just the way Burls was with everyone that he touched in life. Hearts though prayers and love with all of you.

“ I was heartsick to read this news. There was no one I knew who had more integrity, more dedication to the people he served, than Mark. He was one in a million. What a terrible loss to his family and his community. May you all find comfort in his strong faith; he was a living tribute to it.

“ Have not seen Burls since high school. He had the best attitude, smile, and laugh. Prayers for all his family and friends he was a wonderful human being at a young age. I can only imagine what wonderful contributions he made in this world. He's making God and the Angels smile.

“ Beth, Jason, Kara and family:
I am so sorry for the loss of Burls. The picture posted is exactly how I want to remember him. His laugh was infectious. His compassion and love for people, in general, made him a phenomenal human being. He made the deaths of our loved ones so much easier to bear. His hugs were incredible. And he treated you like they were the only person in the room when he talked to you. There will never be another Burls. I asked him to give my Mimi (Jane Ronan) a hug, because I know she was there to greet him in Heaven. I am keeping you in my thoughts and prayers during this very difficult time.

“ So very, very sorry to Mark's family and all who loved him. I loved seeing Burls, and he was never without a smile. The last time I saw him, we realized that there was a connection that was indicative of why they call it "Small-bany." One of his most favorite camp counsellors from his childhood is my "other" Mother (she is not fond of the term "step-mother!"). Not only that, but Mark was selling Jim and Keith's house...who happen to be very good friend's of Norma's and my Mother's. Burls said that Jim and Keith had mentioned Norma to him, and now that I had brought her up, he was sure it meant something, and he was planning on seeing her when she came up. They never got that chance, but I was able to share his great memories, which meant more to Norma than I can express. Burls was also incredibly important to my husband's family, and has been around for my husband since he was little. We are so stunned and saddened by this tremendous loss, but hope that his friends and family can find some comfort in knowing how many people's lives he touched. He will never be forgotten, and that infectious smile will live on forever. Our deepest condolences to Beth, and their kids, and all of the family's loved ones.

“ Beth, Jason, Kara, and all who loved Burls... I cannot begin to convey my sadness at your loss. He was a simply marvelous person, who had a greater impact on my life than I'm sure he would ever take credit for. A world without him is difficult to conceive, to say the least. Sending all my love to you during this unbearable time.

“ I've had the privilege of working with Mark for the past year. I witnessed a man of honor, and a man of God. A man who knew about life's true treasures. He was a spirited leader, and knew the importance of customer service and professionalism. He will be greatly missed. My deepest sympathies to Mark's family and friends.

“ Dear Beth and Family, I am so very sorry to hear of Mark's passing. I have seen him a few times over the years since graduation and he was always smiling, kind, thoughtful and very personable. I have fond memories of his Motown performance at Al Kisby's 40th birthday party many years ago. No one did Aretha Franklin like Burls! He will be sorely missed by many. Deepest sympathies to you and your family, Brenda Reagan (nee Ryan).

“ Dear Beth, Jason, and Kara: I cannot express how very sorry I am for the journey your family has been on. Quite honestly, I think Mark was the nicest man I ever met. I was able to share a very special conversation with him in July and I am so thankful that I have that final memory of him. My heart goes out to all of you for the now empty spot in your family. I hope Doug was able to greet him with open arms and they can together watch over their families from above. You will all be often in my thoughts, as you have been over these past months. “ Beth and family,
Burls and I hit it off from the moment I joined the CM Fox family. He was much more than a coworker. He was a great friend to me during an extremely difficult time. I'm going to miss him and his random text messages. I will never forget him or his contagious smile. RIP Burls

“ I am so sorry for your loss. Mark and Jim were always there for my family when we had a loved one pass away. He was a wonderful support when my husband John Hall died in 1997. He was a great man and always smiling. I am so sorry for your loss. He will be missed. God bless you all!!

Diane (Hall) Wells - October 14 at 06:55 PM

“ Dear Beth and family, I know your hearts are broken, and though it can in no way compare to your pain, our hearts are broken as well. This is such a great loss to our community and everyone who knew him. I remember many years ago being in the high school gymnasium for some event for the girls, (moving up day or something), anyway, I was sitting on the opposite side of the gym in the bleachers distracted by a mom having a terrible time and getting very frustrated with her misbehaving boys (who obviously didn't want to be there). As the mom became more and more agitated with the boys I watched Mark quietly get up and go sit between the mom and the boys and very gently talk to them and calm the whole situation down. I have never forgotten this, and I remember thinking then, that is a special guy. Just a small example of what I am sure you experienced on a daily basis. I wanted you to know that we all saw how special he was too!

We loved him, and will never forget him. Until we meet again, he lives on through you, his beautiful family. Our love, thoughts, and prayers are with you. God bless you all.

“ When I think of all the people he cheered in their darkest moments, and all the real sympathy he shared with bereaved families, it was easy to believe he would always be around to make everyone feel better with his smile and gentle tone. We are all of us human, but some have that superhuman quality about them, that transcends the ordinary man or woman, and Mark was one of those Earth angels; God blessed all of us with his presence. My sympathies to Beth and his kids, who are in my thoughts and prayers. He was a truly wonderful man.

“ Mark will always be cherished in our hearts and our memories. As so many have said - he was always there for us, always able to soothe our pain and forever there when we needed him or just wanted to be around him to share his humor. He was my crutch when I had to bury my parents and I will always remember time spent with Mark to get me through it. When his mother passed, I did my best to be there for him and hope it helped. I wish he had saved some of that goodness for himself. God be with you all as Mark is now in his care. Viv Jones
