“ We were saddened by the news of Jim's passing. He was a key figure in the development of Grumman's Advanced Composite Manufacturing Facility in Milledgeville. Jim was a great team member who handled problems in a calm and steadfast manner. He was also a good friend and a devoted family man. We wish God's blessings on Delores and family. Tom and Maddy Main

“ So incredibly saddened to learn of Mr. Hicks passing. He was the sweetest, most gentle man. I think the only times I ever saw his feathers get ruffled were when the umpire totally missed a call. It was such an honor to know this sweet man. He will certainly be missed by so many. Praying for his family

“ Jim was a fine gentleman who was the QA Manager at Plant 66 in Milledgeville, Ga. He would visit Bethpage at least once and probably twice a Year for the QA Directors Meeting, always a friendly smile and hello in his distinct "Southern Drawl".

Condolences to the Hicks Family and may God rest his Soul.

“ I can honestly say I've never met another man as good and caring as Jim. Any man should be honored to be able to follow in his footsteps that can only lead you to our Heavenly Father. Always helping where needed anytime he could. His family was so blessed to have him as an example to follow. He definitely will be missed by all who knew him. A good man has gone Home to rest. Prayers and love for Delores and family.
