Fran, I am very sorry to hear about the loss of your father. I know how close you were to your father and what an influence he had on your life. You and your family will be in my thoughts and prayers during this difficult time....stay strong!

Tough on the outside, soft on the inside. A man I respected, whose friendship I treasured and whose family became I consider my friends. Yes Fran, now you know...there is a God...please put in a good word for me.
