### War Girls Called Dumb.

Prof. John Hilton of London, professor of industrial relations at Cambridge university, told a conference of welfare heads at Oxford, England, that some of the young women in the factories "know no more about the war than canteen kittens."

### Pen Mailed Year Ago To Soldier Is Back To Sender

On April 6, 1942, Mrs. Nellie Dale, 1413 Reservoir street, sent a fountain pen as a birthday gift to her son, Private Dale, then stationed at Camp Claiborne, La.

The fountain pen in a battered box has been returned after a journey of more than a year, in which it traveled to several European battlefronts and a number of army camps in this country . . . still undelivered to the addressee.

When Dale's outfit was sent overseas he was recovering from an illness in a camp hospital. The package was sent to North Africa. It was later sent to England, New York and Yuma, Ariz., finally returned to sender.

Private First Class Dale is a brother of Officer Denver Dale of the Springfield police department.

### No U. of I. Class Reunions.

There will be no class reunions at the University of Illinois at commencement time, June 5, 6 and 7. This decision has been made to comply with the government's request that travel be restricted.

The annual alumni luncheon has been abandoned and no festivity will take its place. The class of 1893 will be an exception. Since this is its 50th anniversary, Robert Carr, president of the class, has arranged for the reunion at the Champaign campus during the week.

British income tax forms have been cut in size to save paper.

### CONSTIPATED? EASY DOES IT!

If you're constipated, chances are it may be due simply to a lack of "bulk" - forming foods in the diet. If that's your trouble, why resort to purgatives? They usually work by working on you - by jolting your intestines into action or drawing water into them from other parts of the body. Give yourself gentle, yet effective relief - by eating KELLOGG'S ALL-BRAN regularly. It's a delicious breakfast cereal that helps form a soft mass in the intestine, getting at the cause of constipation due to lack of "bulk" and correcting it. Eat plenty of water and "Join the Regulars!" Made by Kellogg's in Battle Creek.
