LOUDOUN COUNTY, Va. — A former Williams High School and N.C. State baseball player was murdered Thursday night.

Corey Mattison was shot and killed when his wife's ex-husband, Minh Nguyen, broke into the couple's home and started shooting.

Corey Mattison had just married Denise Mattison three months earlier.

Nguyen was known for being the co-founder of the social networking startup, Plaxo. He and Denise Mattison had been fighting over custody and visitation issues for months.

Nguyen has been charged with first-degree murder according to an article from NBC Washington.

Friends of the Mattison family set up a GoFundMe account for anyone who would like contribute to covering helping the family with expenses .
