Obituary

Russell J. Stachler, 50, of Star, peacefully left this mortal life surrounded by his family on Sunday, January 15, 2017. Russell was born in Rupert, ID on August 8, 1966 to Larry and Carla Stachler. He attended schools in Caldwell, Santa Barbara, and Boise; graduating from Borah High School in 1985. He was an All-State athlete excelling in football and baseball while at Borah. Russell was then drafted by the Kansas City Royals Baseball Club upon graduation but sustained a debilitating injury in an All-Star football game that summer, which ended his sports career. Russell was a loving, kind and generous person who possessed an amazing intellect.

While living in the Boise area, he was married to Jami Jo Moore on April 16, 1993. They were married for 11 years and they loved and shared three children together: Dathan Joseph, Daulton James, and DaNae Joylene. He was happiest in his customer service career at Continental Truck Brokers and at Direct TV.

Persevering with his injury, a paralyzed left arm, he remained a gifted athlete and was amazing on the softball field and it was always challenging to beat him at his favorite pastime, golf. He was a sports fanatic and was very loving and supporting as he participated with passion in his children's, nephew's and niece's sports! He could be heard hollering from the stands, much like his father.

Russell is survived by his parents: Carla Doyle of Star, and Larry and Joyce Stachler of Fielding, UT; his three sisters: Sandi Jo Felice of Boise, Lori Lynette Saxton of Star, and Robyn Hillis of Tremonton, UT; his three children: Dathan, Daulton, and DaNae; his two grandchildren: Kiera Marie and Adalynn May and many other loving family members including: Mariah Nichole, many uncles, aunts, cousins, nieces and nephews, who will truly miss his love, support, humor and his company. We are all blessed by and are grateful for his loving presence in our lives. He will be greatly missed, always loved, and we wish him peace and happiness in his new "uniform".
