A graduate of Elder High School ('47), Don played baseball in the Cincinnati Reds minor league organization. For many years, Don was active in St. Lawrence Church and School where he served as an usher at Mass and was a founding member of the St. Lawrence Athletic Association. He coached many sports at the elementary school and in knothole baseball. Don also was a past president of the Price Hill Old-Timers Baseball Club and a member of their Hall of Fame. Upon retirement from Western Southern after a career in insurance sales, Don immersed himself in the lives of his six grandchildren and was a constant fan, attending their activities and sporting events, sometimes even assisting as a coach.
