“ Bryon & I were co-workers when Shur Shot bought Alert Pest Control. He was a wonderful man, loved by many. He certainly loved his family & of course fishing & those darn Bengals. We talked football a lot too. He would bring his granddaughter to the office & his smile just lit up the whole room when she was with him. We talked about our families too. He was a great person and I have the privilege to say that I knew him. He will be greatly missed. His passing is a great shock. I pray for his family to be comforted by all the great memories they made. I pray God comforts you and brings you comfort.  
RIP Bryon !
