“ My heart aches not only that Bob is gone but for Lori and Abbey and the rest of the family. Bob was a special person and my best friend growing up through high school. Although different colleges, 2,400 miles and 40 years separated us he was always in my heart. The couple of times I've been back in MI I always made it a point to see Bob. The trip was not complete if I didn't see Bob. I spent more time at Bob's house then my own through high school and always enjoyed his family- especially peanut belly- my endearing name for Ed. May you Rest In Peace Bob and much love and prayers for the family. I'm happy to honor the families wishes and will make a donation to Little League.

“ My memories of Robert will hold a special place in my heart. I worked with him at Saginaw County Mental Health, but more so he reminded me of my brother in soooo many ways. His big built, his dry humor, his cool calm collective mannerism. And oh his looks were so much like my brother. I felt a close bond to him as I lost my brother two years ago. I will miss Robert, but will always be special in my heart.
