It's true.... "Most of the best memories come from some old dirt road!" And blessed we were to grow up on a dirt road called Oltesvig Lane! Telling stories, playing ball, climbing trees and riding bikes; we were looking for mischief from morning till dusk. And Bryan was the Big Brother, watching over "The Gang". He was always standing guard and making sure all was safe. Every winter there was sledding from the top of Swartz's big hill down through Clutterbuck's valley and Bryan would tow the little ones back to the top! And, it seems his coaching and guidance continued on into his adult years as well...touching the hearts and lives of many!! An incredible ball career and phenomenal leader! RIP Bryan! We will never forget those fond memories of you and all you shared with the kids of the Oltesvig Lane Gang!! Love and Prayers, Cheryl (Torode) Mayette Laura (Swartz)Forsgren

Such sad news today. We are forever grateful for Coach Clutterbuck's expertise on and off the baseball field. Bryan was a wonderful coach who provided tremendous support to our son and his teammates while they played for the Cobras. Michael, we are thinking about you and praying for you and your family. You were his pride and joy. Terry and Madeline Mills

On one of our adventures, this winter, spontaneous, lets go up north... wonderful memories. We drove around to the light houses, snowing, we didn't care. He loved going up north. My love my soulmate, gave me so much. I gained a sister Jenn, and a friend Micheal, his son, he was so proud of. He encouraged me with my art, and made me feel so loved... I will miss you my love...
