“ Many prayers to the friends and family of Mr. Galloway. While I was only able to meet you one single time my husband had the pleasure of knowing you for a few short years. He will cherish the memories that he has of you and your conversations before, during, and after yard work. He always spoke of how ambitious and spunky you were and how he just could not believe that you were in you're late 70's with so much determination and drive. He spoke of what a good man you were often. Please let us know if there is anything at all we can do.
