Kim & family, so sorry to read of Ron's battle with cancer and passing. Surely this past 10 years has been difficult but with many blessings with your family to remember. May you continue to feel the Lord surrounding you with a peace and strength as you go through this time. Your Mom & I worked together when you were born and the years have passed so quickly as our families grew up. Our thoughts and prayers are with all of you. With our sympathy, Ben & Lois (Welsh) Klein
