“ Bucky, Gail, JoAnn and Toni,
My neighbor family!! I am so sad to know that your Dad has gone to heaven, but so glad that he is with the love of his life and with Pete. I got there today as they were closing the casket so I didn't get to talk with each of you and see him. I am sorry for that but he would surely have said, "it's ok Cheryl Wawa!! I know I don't have to tell you how I loved your Dad, he was such a wonderful man. Well, looks like the whole "bridge" crew is gone now and it is us left to remember them. I pray for each of you to have the strength to handle him leaving you and I pray for the repose of his soul.. But do know, and I know you do, he is where he wants to be with your Momma and Pete.

Love you all
