

Mitchell Leo Stachowsky

October 2, 1983 - May 27, 2017

Mitchel Leo Stachowsky, 32 passed away at his mother's home on May 27, 2017. He was born in Salmon, Idaho on October 2nd, 1984 the son of Joy Good Voice and Mitch Stachowsky. Mitch graduated from Highland High School in 2002 where he loved and played baseball.

After graduation, he got a scholarship to CSI collage of Southern Idaho in Twin Falls to play baseball. Mitch was a 19-year-old catcher when he signed with the Boston Red Sox after being drafted as the 1,470th pick in the 2003 draft, out of CSI. The catcher Mitch had the thrill of making it to AAA as a 20-year-old, picking up five plate appearances when injuries struck the catching corps, but his three seasons were largely concentrated in the lower levels, the GCL, Lowell, Augusta and Greenville. Mitch showed power, clubbing 21 home runs and 24 doubles in his 158 games, but decided to retire from a baseball career after just three seasons. Mitch's extreme love of the sport never stopped and he coached in Idaho at Twin Falls, Highland High school and Pocatello American Legion Baseball.

Some of Mitch's fondest memories and exciting stories that he told were hunting, fishing and camping with his grandparents Chuck and Anna Charlton in Challis Idaho. He always wanted to be a Cowboy like the man he looked up to, his Grandfather Harold (Chuck) Charlton.

Mitch made friends everywhere. With his big heart, he embraced everyone that crossed his path with kindness. But the men who played ball with him know him best.

Mitch was raised by his single mom and had three sisters. In a home full of women he was very kind, sensitive, gentle and protective.

He is survived by: his grandfather, Harold "Chuck" Charlton of Pocatello; grandmother, Anna Charlton of Pocatello; mother, Joy Good Voice of Shelley, ID; and sisters, Anna Pierce of Pocatello, Amanda Stachowsky of Boise and Coral Goodvoice of Shelley.

“ I wanted to thank all of Mitch's friends who have shared memories. I appreciate it so much. The comfort and strength it gives me is immeasurable. To know the things Mitch has done for others meant so much; will encourage me to follow his fine example.

Mitch has always been a caring person, even when he was small. He was grade school age when he would get picked for All Star baseball. All summer we would travel to the baseball games, but he rarely got to play. Then one game was about over when I talked to the coach. Mitch got to play the next inning. He was so excited. He came running up to me and asked me to talk to the coach about "the twins". He told me that they never got to play either. Love to you all, Joy Good Voice (Mitch's grateful mom).

“ Mitch was one of the best men I have ever met. He has helped me through some hard times with somebody that I have lost at the cost of getting himself into trouble with his significant other. But he did not care about that and he made everything seem like that I was going to be okay and he was right. He definitely went out of his way to be a good friend and help whenever he could and do it with a smile on his face. I love you I'm definitely going to miss you and hopefully we'll see you again someday my friend. Rest well my brother

“ My thoughts and prayers go out to your family. I met you through CSI baseball, the very 1st game I took my kids to see is the game you were playing in when you got knocked out at home plate making a tag. And although you were knocked out for a short period, you still held onto the ball :) Then when you returned to coach, I will always remember the BEST hugs!!! You knew how to make a person feel welcomed and loved! Rest in Peace, Mitch. The ultimate dream team must have needed one of the best catchers, and called you up. Love you, Joann Frank
