“ I just wanted to send my condolences to Stephen's family. Stephen and I played baseball together in high school and were friends for years afterwards. Although I haven't spoken with him in quite a while, I remember him as a very nice, kind and fun person to be around in general. I sincerely send my thoughts, prayers, and love to the family during this time of grief.

“ Norman,  
I am so sorry to hear about your loss of Stephen. I have many fond memories of your stopping by my office at the Commission for the Blind to share the latest about Stephen's baseball career. It is a blessing that you were able to share those special times with your son. I am praying for you and the rest of your family at this difficult time.

“ It has many years since Stephen last visited in our home, but I remember him with great fondness. He and my son, Brian, were friends in high school and for many years after graduation. My memories of Stephen always include his bright smile and friendly personality. I extend my warmest sympathies to his family and wish you peace at this difficult time.
