Comments

“ We never think of a funeral being fun, but Uncle Julio was a fun guy! He made us laugh, he made us eat, dance, all the fun things in his life. Celebrating Christmas, New Years and the 4th of July were always part of the fun. We celebrated a wonderful Christian man. He left us a great legacy.

“ We all need a time for tears, not for the one who is now at peace in heaven, but for ourselves as we realize that things will never be the same without Julio.

“ My sincere condolences to the Ramos Family. My thoughts and prayers are with all of you in this very sad time. Julio was an incredible person and played a very important role in my life. He taught me many things, but the skills I have used every week were how to cook steaks and white rice. I think of him often.

I wish I could attend the service, but my heart is with you.

My love to all,
