Robert "Bob" 'Muldoon' / 'Doon,' 67, passed away last Thursday, October 23, 2014.

He grew up in Paramus, lived in Ho-Ho-Kus for 23 years, then Allendale for the last 10 years. He graduated Paramus HS in 1965 and went to Columbia University in NYC on a baseball scholarship.

He is survived by his loving wife of 37 years, Beth Mulcahey (nee Sutherland), business partner and partner in life - my BEST Friend.

Bob is survived by his siblings Martha Klink (NJ), Maggie Smyth (FL), Mike (FL) and Tommy (NJ), children Bob III and Shannon Wong and grandchildren Bob IV, Connor and Casey Wong.

He was predeceased by his parents Robert Sr. and Martha Mulcahey, and siblings Mary Lou Brophy, Kathleen Spelkoman and Kevin.

Bob was a natural athlete who excelled in any sport he participated in. He was 1st Team All County in football and was All-State honors in baseball. He was signed and played for the San Diego Padres until an injury to his pitching arm ended his career. Bob was inducted into Paramus HS Sports Hall of Fame in its inaugural year.

Bob had been working for Wire Products Co. in Paramus since High School, and after leaving the Padres, he helped expand and modernize the business, later re-naming and becoming owner of Wire Displays Inc. in Lodi, NJ, which we sold this past summer.

Bob was low key, never talking or bragging of his accomplishments or successes. He was smart, hard working, competitive, funny, proud, gentle and kind. He respected everyone and was respected by all.

After a yearlong battle, he sadly lost his fight to a brain tumor.

Donations to your local animal shelter would be appreciated.

"How lucky we were!"
