“ Mrs. Foreman, Craig and Mark:

My thoughts and prayers are with you at this difficult time and in the days to come. I have fond memories of time spent with Mr. Foreman and a teenager. He would always make me laugh. I know you will miss him so very much.

“ Condolences to Denny, Craig, Mark and the rest of the Foreman family. I still miss Grant a ton. He passed way too soon. RIP, Mr. Foreman.

“ Don was a great friend and golfing buddy. He amazed and inspired me by his love of the game of golf. He was a mentor and was always ready to laugh at my jokes and commiserate with me when I miss hit a shot or missed a short putt. He was so proud of his children and grandchildren We always had to play early so he wouldn't be late for lunch with Ginny and he invited me several times to join them. I will miss him.

“ Hi Denny,

Our family lived on Alberta St. around the corner from the Foreman's home on Post Ave. Don and I spent considerable childhood time together. Among other things, we played baseball in the street until the police chased us, and he practiced football by lining me up in front of his hedges and then proceeding to run through me and them. After I went to college I didn't see a lot of Don and certainly missed him. He was instrumental in shaping my young life, especially getting me involved in athletics. I last saw Don briefly at our 50th West High reunion and went away disappointed that our meeting was so short.
