“ I had the privilege of being assigned as the Commandant of the Drill Sergeant School from July 1980 until retirement in October 1982. My wife Sally and son Tom lived at 26 Funk Street, not to far from the Butlers. Fort Leonard Wood was an excellent military community thanks to the efforts of CSM Butler and his leadership skills. I just happen to be looking up my past assignment and found the obituary of CSM Butler. The information provided for all to see was an outstanding tribute to a fine soldier, father, husband, grandparent and mentor to all.

“ Delores and family, I am so very sorry to hear of Jack's passing. I have so many good memories of Jack with Clay and I at the Shrine Club, DU, Committee of Fifty and other community functions. Jack had that infectious smile and sparkling eyes! May you take comfort in all the years and wonderful memories!. Millie Howlett Brotherton

“ When the Old Stagecoach Stop Foundation needed help with the Jerry Clower Concert many years ago, Jack Butler arranged a meeting with Major General Fiala, at that time the Commanding General at Fort Wood. The Stagecoach Stop Foundation members were greeted warmly and help was generously given. Several thousand young soldiers attended the concert and all had a great time. It was a major fund raiser that helped get the Old Stagecoach Stop in Waynesville purchased and renovated. Couldn't have done it without Jack's help. Thank you for helping us, serving your country, and serving your community. Our prayers are with your family and friends.

“ My deepest condolences to Delores and the family. I have wonderful memories of Jack visiting us at the Waynesville St Robert Chamber of Commerce Office back in the 90s and sharing his stories of fishing, working to keep Fort Leonard Wood open (BRAC years) and his Army life in general. Some of my favorite memories are when he would talk about Delores and his eyes would sparkle and he would smile that smile. Rest in peace Jack, you will be greatly missed.

“ My sincere sympathy to the family. Jack was a special friend throughout the years, but especially when we worked together at Fort Leonard Wood. We loved to talk about fishing. He served his nation well and will be sorely missed. His life made a difference in so many lives. We were blessed to have him serve.

“ Jack's passing will be a great lose to both his family and friends. Jack is known and loved by very many people and he will missed, but never forgotten.

During the 25 or so years I have known Jack, I have always found him to be a true brother and friend. He worked hard at helping Plato Lodge #469 continue to grow and to educate both new and older members. May the Lord watch over Jack and his family.
