What a shock to all of you and also to all of Bob's friends. I am so sorry for your loss, but hope that the many happy memories that you hold in your heart will sustain you in the days to come. I guess that Bob has joined that big Pinochle Game in heaven, and he is probably showing them a thing or two about the game! We will miss him!

I appreciate the opportunity you provided to me by coaching midget football. You shaped a lot of young boys lives and provide a great foundation during that time and we all are gratefully for you. “ Children take so many things for granted. Not because they're spoiled or unappreciative, but because they haven't lived enough years to know any better. It was only as I grew older that I realized how blessed my life was having Molly and "her Bobby" for my Aunt & Uncle.

I spent quite a bit of time with Vickie and Duke, and couldn't wait to get there! We

always had so much fun (309 S. Franklin Street baby) "The nutcracker"!! But it was even more fun when Uncle Bob was home from work because he was like having an older friend over to play. When he wasn't doing something totally strange he would try to scare us and boy, it always worked.

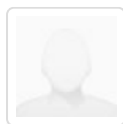

If there were any visits at that house less than perfect, well I guess subconsciously I've chosen to forget about them because my mind is overflowing with only memories of happy, fun filled times.

I always felt a tremendous amount of love from Uncle Bob and later on in our lives he continued to show it to me by giving me one of the most special presents I've ever received. Truly from his heart to mine.

Thank you Uncle Bob, for everything. Every niece should be so lucky.

“ It was so sad to read Bob's obituary in the paper today. Bob taught me a lot about baseball in the late 50's when I lived a few doors down the street from him. But what I really admired was the marriage he and Molly shared. They seemed to be two people made for each other -- that was the kind of life I wanted. I met a girl in 1979 and have been married for 38 years. She is a girl just like Molly; she has a good sense of humor and is a great dancer. I wish Bob taught me as much about dancing as he did about pitching. That would make my wife a lot happier. Bob would laugh at that. He is someone in my life that I will never forget. Mike Kaufhold

“ Aunt Molly, Vickie, Steve, Duke, Cindy and Family,
We are heartbroken over the loss of Uncle Bob. He was and always will be a great man and his memory will always be with me and my family. He was a positive influence for me and a lot of other young men on the Baseball Diamond and the Football field and for that I am eternally grateful.
We are all looking forward to some healing hug which are coming your way very soon. The one thing that helps me through this time is thinking about the huge Shomo hug going on right now with Grandma and Grandpa and dad all together again.
See you soon, Mike Shomo
