We of the 29th Radio Squadron Mobile are saddened by this news. We knew Ron when he was a young man playing baseball and basketball and still fulfilling his duties as a Radio Intercept Operator. We met him again later at our reunions. We enjoyed sharing stories with him. His name will be read along with other deceased members of our unit at every gathering until our end comes too.

My heart goes out to the entire Raasch Family. Always remember the special moments you spent with Ronald. Please find comfort in what the Bible says about the opportunity of seeing Ronald again under the very best of conditions right here on the earth: And the last enemy, death, is to be brought to nothing. (1 Corinthians 15:26)

For more comfort please go to the following website <https://www.jw.org/en/video-why-study-the-bible/> and then search for "When Someone You Love Dies" Brochure.
