Remembering Chuck

A good friend and neighbor when we arrived in Ohio in 1982 and did not know anybody.

Example to me of the benefits of community involvement - Pinegate Trustees. I learned a lot.

Example to me professionally of a consulting engineer. Working for a big company your entire career is not the only option. Again, you opened my eyes.

Thanks for all you did for me and my family.

We wish we could be there in person.

Know that all are in our thoughts and prayers. Roch

“ Fall is a special time when friends, family, and loved ones gather together. The beauty and magic of autumn with it's varied colors and falling leaves is a reminder of God's changing seasons, love, and the fleeting value of time.

Remembering "Chuck" throughout the years like the acorn that he was and how he will remain in our hearts and our own family trees forever. Keeping him alive in memory for always.

Much Love, Marilyn & Calvin Doss

“ Dear Ruth,

Please accept my condolences and prayers. You and Chuck were so kind to me during daily mass together and helped me through a tough time in my life. I will always cherish that and pray that I can do the same for someone as you and Chuck did for me someday. I only knew him for a short while but he taught me the power of both our Catholic faith and his love for you and his family as the most important things in life. Take comfort in knowing Chuck is in heaven now. God Bless
