Sad day for all Garfield HS athletes who knew Ken or heard of his athletic accomplishments. The best athlete in school history. God Bless and RIP

My sincerest condolences to Lauren, Kenneth, Joe and Kenny's grandsons. I was most fortunate to have met Kenny when he played baseball with the Spartanburg Phillies in 1967. I have carried him in my heart for 50 years. He was a terrific athlete and became a loved friend. Since June he has told me many wonderful stories about his family and that they were his whole life. My heart is broken for his family. I will forever be in love with him.

Growing up, Ken was a family legend to me being as gifted as he was in playing baseball.

Coach Huebner will be missed by all of us who had the pleasure of being coached by him as well as just being a great man. I learned a lot from Coach and though he loved to work us hard it was for a reason. He knew what was needed to grow up and get to his players to handle life's challenges ... He will be missed on the field as well as off it...God bless his family and those who loved him during his fight...

My deepest heartfelt condolences to the family. Ken was one of my best and closest friends since kindergarten. We played sports together, coached together, and I was his best man in his wedding. I will truly miss him
