“ Richard, I know you're in heaven and free from all sickness. For the past seven years, you grew from being a neighbor to becoming a part of the Hampton/Miller family. We loved having you around and will miss you so much. You were one of a kind, an "old school" man filled with values. A man that I can say i was proud to be a small part of. As time continues, your passing will be harder to bear for Mary and your family, and if consolation is possible we all know you're not suffering any longer. We love you Richard. Will miss you until the end. Love, Alice Miller
