“ I loved my Dad, but he was taken away from my family after my Mothers passing. I apologize and regret to other family and friends of my Mothers, that I can't attend my Fathers funeral. I know my prayers were answered for my Dad to not suffer long. Now I pray that he can look down to see his baby girl and her family and grandkids and here me tell him everyday just how much I truly loved him and my Mother as I do every day. Kellye, Jim, Raechel, Leylani, Jerrad and Thomas. In Loving Memories of my Daddy!
