I worked for Louis at DeBois in the late 60's. He was a fine man and a mentor to many. I remember an experience involving a raise. I summoned all my courage, knees knocking and tapped on his door. I asked for the raise. He gave me 20 cents more an hour. Whoo Hoo! After moving away from Paducah, I still heard from him and Kay. I considered him a friend and visited with him last year at the farm and was glad I had the chance to do so. Shirley Grimm

Louis was one of the most upstanding citizens of the community that I came across, Mr. Haas would call me at the Road Dept. when something needed done around his community, when he called I was right there, I got to meet him on a lots of occasions, I use to tell him on more than one occasion that I wanted an autograph card of his son Chris and one day he told me he could autograph a card for me because he use to play professional ball, he introduced me to his son Chris and even offered to let me pitch to him. If it were not for his children I'd say Louis was the last of his kind, All of the Haas are good and decent people. My thoughts and prayers are with the family. In my years at St. Mary High School I never met a greater man who was more supportive of Catholic Education in Paducah. His devotion to the education of the students of the St. Mary School System was unsurpassed. Although a financial supporter of SMSS, often his wisdom was equally was-of equal, if not more value. I believe that he will continue to intercede before God for his loved ones and friends. May he rest in peace. -- Brother Ignatius Brown, FSC

Love & prayers to my 4 cousins, Terry, Tim, Andy, & Chris. My heart & mind are filled with precious memories of family gatherings in your homes during all the years of my youth, as we all grew together surrounded by our ever growing family. I am grateful for the memories my son's will also carry with them, as the gatherings continued into our adult lives. Pictures of Uncle Louis are forever embedded in my heart & soul, sitting in his chair, as he opened his home to welcome the chaos of our large family in. I know he held great pride in you all & cherished each & every grandchild you & your lovely wives gave him. God bless you all as you continue on your life journeys.

Louis had one of the most brilliant business minds I have ever encountered, and his ability through penetrating questions to get to the core issues involved in any decision was remarkable. Although he was reluctant to show it, his compassion and kindness were also very much in evidence. I was blessed to have known him. My thoughts and prayers are with his family at this time of loss (II Corinthians 1:3-4).
