My prayers go out to you at this time of your loss. May the face of the Almighty God shine upon you with comfort. As Psalms 145:18 tells us, The Almighty is near to those who call upon him. Once again, my condolences go out to you during this difficult time.

“ To Mark's Family,

We are so saddened to hear of your devastating lost. The memories we share were happy ones of our children growing up in Florida Gardens. Josh and Travis were so close and what one didn't think of the other did. Most important thing that they shared was their hero "Mark" who got to play baseball in the major league. Mark and Josh still kept in touch and shared their lost of Travis. We will always remember Mark's gentle, sweet smile and of course those beautiful eyes. RIP Mark and Hope your family will find peace in all the great memories they shared with you and the joy of your beautiful daughters.

“ Tom and I send our deepest sympathies to the entire Brownson Family. When I think of Mark...I remember our boys Senior Year at Wellington High as starting pitchers! What a year that team had! I pray that peace will surround you during this difficult time.

“ Where has the time gone?  
My two sons played high school baseball with Mark.  
I was a friend of his father so many many years ago.  
It is so sad and difficult to lose someone so young.  
There are no words to make it any better.  
Just wanted to express our thoughts with you and yours.
