Clayton Richard Wulff

St. George - Clayton Richard Wulff, age 83, slipped quietly out of this life in his home on Wednesday, February 7, 2018. Clay was born in Kansas on June 3, 1934, the only child of Floyd C Wulff and Alma Alberta Enloe. He spent his youth in Compton California. He married Leola Faye Kennemer and to their union 4 children were born: Thomas R. Wulff (deceased as an infant), Nancy Lynn Ferrell (Brian) of Murietta, California, Phillip D Wulff (Lisa) of Rancho Cucamonga, California, and Ronald Alan Wulff (Elaine) of Hines, Oregon. Clay is survived by three of his children and his seven grandchildren: Mitchell Wulff, Mason Wulff, Chris Ferrell, Brandy Ferrell, Carrie Wulff, Shawna Wulff, and Tanner Wulff.

As a young man Clay played minor league baseball as shortstop for the Plainview Texas Ponies in 1954. He remained an avid baseball fan and loved to watch sports on television.

Clay worked for an electric company in Texas. He lived in Gloversville NY, Corpus Christi TX, Palm Desert CA, Sun City CA, Ithaca NY, Johnstown NY, Perris CA, and Homeland, CA. He moved to St George, Utah, in 2003; he lived in Sun River and then made his final home in Bloomington in 2009.

Clay was known for keeping his yard and home immaculate. He reseeded and resodded his lawn frequently to keep it green year around. He lived on a busy road, and often stood out front visiting with or waving to neighbors as they passed on their way. He loved to engage in conversation with people from all walks of life and relished taking time for friendly visits near the Texas Longhorn flag he proudly flew. He loved to work. He loved dancing, music, sitting in the sun, and playing golf. He developed great friends playing golf in the favorable St George weather. We will miss Clay and think of him each time we pass by his corner and his home!!

All friends and neighbors are invited to meet Clay's family and attend a memorial service and luncheon to be held
